

Campanelli's Summer of Excellence

Remember, that we should continue to live the keys even over summer vacation!

- Choose a key to demonstrate over the summer. See the explanations of the keys on the attached page.
- Clearly label and decorate the paper key with the name of the key you are demonstrating. Cut it out.
- Take a "selfie" picture showing the key in the location that you lived that key.

Example: You are committed to your softball team, so take a picture with the "commitment" key at the game.

- Have your parent/guardian email your picture to Ms. Durchslag at loridurchslag@sd54.org
- Your picture will be showcased at our Back to School Night!
- Hope you all have an EXCELLENT summer!
